**Amendments to the Drawings**

The attached sheets of drawings (Figs. 18, 19, 20, and 21) are related to the new text to the specification beginning at page 8, line 29 (as shown above under the heading "Amendments to the Specification"). Applicants have labeled these sheets of drawings as "Replacement Drawings" pursuant to the new rules regarding drawings; however, these drawings are not replacement drawings. Applicants request the Examiner to advise us as to how to identify these drawings under the new rules if this is not correct.
